Some animals are little.

Some animals are big.

Our bird can fly.

Our dog can dig!

Day 2

Dear Boys and Girls,

I really liked the story about the fox, alligator, and rabbit. It made me laugh!

I forgot one part of the story. Will you help me remember how Rabbit got across the river?

Day 3

Dear Children,

Look at the note I wrote: June can go play a tune on her huge flute!

Day 4

Good Morning, Children!

Do you remember reading these words: morning, found, shout, by, out, show, and climb? They were in The Sleeping Pig.

Day 5

Good Morning!

I have a riddle. This is no joke. What has six sides and rhymes with the word tube?

Theme 6 Week 2 Day 1

Good Morning, Children!

My friends Maria, Bill, Deb, and Tim went to the zoo. They saw elephants, birds, seals, and other animals.

Day 2

Dear Class,

Saturday I rode a bike. I had so much fun. Then I went home.

Day 3

Good Morning, Children!

Today we will read a book about a mouse. Do you think he lives in a house or a tree?

Day 4

Good Morning, Children!

What would you do if you found a mouse in your house? Would you shout for a cow? Would you call for a horse to chase it out the door?

Day 5

Good Morning, Class,

We read many books. Each one is different. How can that be?

Hello, children!

How did you get to school this morning?

How many people walked?

How many people came by bus?

How many people came by car?

How many people rode bikes?

Day 2

Welcome to school, children! Let's look on the Word Pattern Board now. Is it by the door? Is it by the table? Can you find the words cow and horse there?

Day 3

Dear Children,

Today we will read a story about what goes on during an evening in the rain forest. We live far from the rain forest. Have you ever been to a rain forest?

Day 4

Dear Children,

What is your favorite time of day?

Is it morning, afternoon, or evening?

Why do you like this time best?

Day 5

Good Morning, Class,

What do you think when you are

hungry? Do you hope it is time to eat

soon? Do you get a snack, or do you

wait until the next meal?
